CARDIOLOGY REPORT

Maria Bills

PO Box 3082 SHOW LOW AZ 85902

Cellular (928) 243-3760

DIAGNOSIS and PROBLEMS: Normal Cardiac Exam

PROCEDURES/TESTS PERFORMED:

Breeding Screen, Auscultation Only

FINDINGS:

This is to certify that on **Wednesday, February 21, 2024**, Clover **Bills**, had a normal cardiac auscultation. No echocardiogram was performed, but based on physical exam findings, there is no cardiac reason to prevent a breeding recommendation for this patient. For official Orthopedic Foundation for Animals Certification, the applicant must submit the form provided.
