

Ole Alcumbrac, D.V.M.

11/30/2022

To Whom it may Concern,

Radiographs of the hips and elbows were performed for "Freya" belonging to Madalyn Yazzie on 10/31/2022. The images were reviewed by the veterinarian, and there were no notes of any bony abnormalities or reason for concern. Please call with any questions.

Kind Regards,

Amanda Petrie
Office Manager
